Sub/ Thanks Appreciation Letter

Greetings...

Our directorate would like to extend its thanks and appreciation to your office for its distinctive role in the provision of 132 KVA Transformer to Al-Rumaiha substation along with its accessories as per the technical specifications required and as per the agreed-upon time. We wish you have more progress in your work set forth in the service of the New Iraq.

Regards,

Southwest Networks Directorate
Eng/ Abdul-Ameer Dheidan Mohammed
